No E0226 Revision 01

## **Declaration of Conformity**

Equipment Type(s): Server, Model MFSYS

The equipment described above is declared to be in conformity with the following applicable national and international standards. The conformity is valid ONLY when the equipment is used in a manner consistent with the manufacturer's recommendations and the reference documents.

| Document Reference No.                | Title  |  |
|---------------------------------------|--|--|
| IEC 60950-1                           | Safety of Information Technology Equipment                           |  |
| UL/CSA 60950-1                        | Safety of Information Technology Equipment                           |  |
| EN 60950-1                            | Safety of Information Technology Equipment                           |  |
| AS/NZS 60950                          | Safety of Information Technology Equipment                           |  |
| ICES-003 Class A                      | Interference-Causing Equipment Standards - Digital Apparatus         |  |
| CISPR 22                              | Information Technology Equipment - Radio Disturbance Characteristics |  |
| EN 55022 Class A Limit                | Information Technology Equipment - Radio Disturbance Characteristics |  |
| EN 55024                              | Information Technology Equipment - Immunity Characteristics          |  |
| EN61000-3-2                           | Information Technology Equipment - Harmonics Characteristics         |  |
| EN61000-3-3                           | Information Technology Equipment - Flicker Characteristics           |  |
| CNS 13438 Class A                     | Information Technology Equipment – Radio Disturbance Characteristics |  |
| FCC rules Part 15, subpart B, Class A | Title 47, Code of Federal Regulations, Part 15                       |  |
| VCCI V-3, Class A                     | Information Technology Equipment – Radio Disturbance Characteristics |  |
|                                       |  |  |
|                                       |  |  |
|                                       |  |  |
|                                       |  |  |
|                                       |  |  |

## Additional information:

| Regions for which Conformity is Declared  |  |
|---|--|
| Australia / New Zealand: Supplier Code N-232 [Intel Australia Pty Ltd, 111 Pacific Highway, North Sydney, NSW 2060] : ABN 59 001 798 214 : ACN: 001 798 214 . |  |
| Japan: Voluntary Control for Interference by Information Technology Equipment (VCCI) member number 338.   |  |

USA: Intel Corporation (address below) is the responsible party for this equipment.

Canada: Intel Corporation (address below) is the declaring party for this equipment

European Economic Area (EEA): Intel Corporation declares the equipment in compliance with the essential requirements of EC Council Directives 2006/95/EC (Safety/Low Voltage) and 2004/108/EC (EMC).

Any other region where the regulatory requirements are satisfied by compliance to the standards declared above.

| This Declaration of Conformity is issued by <b>Intel Corporation</b> , which is solely responsible for the declared compliance. |   |  |  |
