## **Two Different Project Plans**

The following project plans demonstrate different levels of control between teacher and student. Sample 1 is more teacher directed than Sample 2.

## Sample 1. Project Plan for our Water Unit

| 1. | 3   |  |                         |  |  |
|----|---|--|-------------------------|--|--|
|    | about my water topic.  a. My water topic is   |  |                         |  |  |
|    |   | The five questions I will answer are:  |                         |  |  |
|    |   | i.   |                         |  |  |
|    |   | ii.  |                         |  |  |
|    |   | iii.   |                         |  |  |
|    |   | iv.  |                         |  |  |
|    |   | V.   |                         |  |  |
|    | C.  | Things I need to do in order to complete t   | his project:            |  |  |
|    | d.  | Materials or resources I will need:  |                         |  |  |
|    | e.  | I will complete this by:   |                         |  |  |
|    | This w  | vill be assessed using the Research Rubric.  |                         |  |  |
| 2. | . I will create a display or model that demonstrates my understanding of r water topic. I choose to create a: |  |                         |  |  |
|    | a.  | Things I need to do in order to complete t   | his project:            |  |  |
|    | b.  | Material I will need:  |                         |  |  |
|    | C.  | I will complete this by:   |                         |  |  |
|    | This w  | vill be assessed using the Construction Rubr   | ric.                    |  |  |
| 3. |   | I will write an editorial to our newspaper defending my opinion on a controversial water topic. I choose (please circle):  Industrial or farm pollution  Sewer run-off |                         |  |  |
|    |   | Fish depletion   | Recreational use        |  |  |
|    |   | Water power  | Selling water           |  |  |
|    |   | Conservation/consumption Floods/control  | Water treatment<br>Dams |  |  |

Groundwater overuse

Irrigation rights

|    |         | at would I like to accomplish?<br>Write goals for your project:   | Date:   |  |
|----|---------|---|---|--|
| 2. | De      | Developing an Action Plan   |   |  |
|    | Wh<br>• | ere can I find out more about my topic?<br>Record possible sources of information:  | Date:   |  |
|    | Wh<br>• | at is the best way to show my learning?<br>Select a way to demonstrate your learning and write  | Date:about your ideas:                        |  |
|    | Wh<br>• | at do I need to work on my project?<br>Make a list of materials and resources needed for you  | Date:<br>ur project:                          |  |
|    | Wh<br>• | When will I do each part of my project?  Make a timeline of steps leading to completion of your project. First brainstorm all the things you think you will need to do:   |   |  |
|    | •       | Now put them in sequence:   | Projected Dates:                              |  |
|    |         |   |   |  |
|    |         |   |   |  |
|    |         |   |   |  |
|    | 3.      | Implementation and Monitoring  How am I doing?  | Date:   |  |
|    |         | <ul> <li>Make a list of people who can give feedback on you work and who can help you find resources:</li> </ul>  |   |  |
|    |         | <ul> <li>What changes do I need to make on my plan?</li> <li>Reflect on your project timeline, the feedback you write about changes and adjustments needed:</li> </ul>  |   |  |
|    |         | <ul> <li>How will I judge my project?</li> <li>Develop assessment criteria for the project. Decided quality project. Brainstorm parts to be assessed of quality. Use example rubrics to help you decided will assess here and attach your full criteria when</li> </ul> | and establish levels<br>e. List the parts you |  |
|    |         | <ul> <li>What do I need to do before I present?</li> <li>Review your plan and vision for the project present and list the final things needing to be done.</li> </ul>   | Date:<br>ntation, describe it                 |  |

| <ul> <li>Have I done everything I need to do?</li> <li>Put materials together needed for presenta others for flow and timing. List names of the helped:</li> </ul> | tion and practise in front of |  |  |  |
|--|-------------------------------|--|--|--|
| 4. Assessment and Reflection   |                               |  |  |  |
| How did I do on my project?  • Assess yourself and self-reflect using the rubric you created:  |                               |  |  |  |
| <ul> <li>Set possible future goals from what you've project:</li> </ul>  | learned by working on this    |  |  |  |
| Student signatureDate  |                               |  |  |  |
| Parent signatureDate   |                               |  |  |  |
| Teacher signatureDate  |                               |  |  |  |
