Our corporate font is Neo Sans Intel. It has been specifically designed for us and is unique. It is clean and precise, Its modern aesthetic, conveying Intel's future-focus; and its engaging, human quality.

The Neo Sans Intel font family is proprietary to Intel, and should be used for all print communications. Use Verdana for all onscreen communications, such as e-mail, the web, and PowerPoint*. Neo Sans Intel Supports all Latin Based languages.

Please note that any external vendors will need to purchase their own license. Do not forward the fonts to any external agencies under any circumstances. Sharing this font outside of Intel is a license violation, is illegal, and can open Intel up to legal fines.

All agencies need to purchase Neo Sans Intel.

Agencies: The cost is US$156.60 for 5 licenses, and includes 6 versions (Light, Regular and Medium, and Italic versions of each.) All fonts can be purchased directly from Monotype Imaging as follows:
- Call 1-800-424-8973 from 8:00am - 6:00pm EST
- Order online at: www.fonts.com/FindFonts/_IntelFonts.htm
