Slideshow Presentation Scoring Guide

Names: _____ Period: _____

Topic: _____ Assessor: _____

Use this scoring guide to help you as you work on your presentation. You will also use the same criteria to assess each group's presentation.

OVERALL SCORE ____/100

	PRESENTATION (25 POINTS POSSIBLE)
/5	The presentation teaches the audience something new and significant.
/5	The presentation's speech elements integrate with the visual elements in a thoughtful way.
/5	The delivery is effective (voice, pacing, eye contact, control of movement, and so forth).
/5	The team clearly practiced the presentation.
/5	Everyone in the team participates equally in the presentation.
/25	**TOTAL FOR PRESENTATION**

	SCIENCE (50 POINTS POSSIBLE)
/10	The biome is clearly defined.
/10	Geographic terms are used to describe where the biome is found on Earth.
/10	Climatic and geographic factors causing the biome are explained in detail.
/10	Life (plant, animal, and human) and mechanisms for survival in the biome are described in detail.
/10	References are cited.
/50	**TOTAL FOR SCIENCE**

	ORGANIZATION AND MECHANICS (25 POINTS POSSIBLE)
/5	Ideas are effectively communicated and topical vocabulary is used.
/5	Attention given to proper writing conventions (spelling, grammar, and punctuation) is evident.
/5	Text elements (headings, lists, and so forth) are logical and easy to follow.
/5	Writing includes descriptive words, interesting thoughts, and well-developed ideas.
/5	Graphics, charts, tables, and/or pictures enhance the project.
/25	**TOTAL FOR ORGANIZATION AND MECHANICS**

SCORE

5 = Awesome—The team clearly went above and beyond the required expectations and delivered a high quality product and presentation.

4 = Good—The team clearly worked hard to meet required expectations and delivered a good product and presentation.

3 = OK—The team did an adequate job and met most expectations. The product and presentation were okay.

2 = Needs Work—The team struggled with meeting expectations. The product and presentation were inadequate or hard to follow.

1 =Lack of Effort—The team clearly did not put forth the necessary effort to meet any expectations. The product and presentation lacked focus and were hard to follow.

0=Not Acceptable—The team did not do a project or presentation.
