Healthy Eating Menu Checklist

	Check When Complete
We chose at least one food from each of the food groups.	
We listed which food group each food belongs in.	
We chose a name for our restaurant.	
We included at least two clip art pictures that match our foods.	
We followed directions and put our words and pictures in the right places.	
We asked another group for feedback on our draft. We used their suggestions to make our menu better. Suggestions:	Group Members:
