

## Go-Go Gadget: How Creative Was I?

Skill	Specific Example
I thought of and considered many ideas before choosing one.	
I noticed what was unusual in ordinary objects.	
I carefully thought about ideas in order to decide if they were worth working on some more.	
I tried new ideas.	
I was not afraid to make mistakes.	
I set goals that made me think and work hard.	
I added details to my own and others' ideas to make them more real.
