

Presentation Checklist

This checklist is for your group to use while you create and complete your presentation for your communication tool recommendation.

- We recommended a communication tool.
- We included the name and cost of the tool in our presentation.
- We described the basics of how the tool works.
- We included pictures, data collection, and analysis to support our recommendation.
- We created an aesthetically pleasing presentation.
- We edited our work.
- We shared the completed project with our teacher.
