Wiki Checklist
Track the Trends: Predict the Future?

Names: _____

Topic selected: _____

LAYOUT DESIGN	
	Is your wiki easy to read?
	Is all of the space used appropriately and effectively with a suitable format?
	Do graphics/charts/tables/pictures enhance your wiki and help tell the story?
	Is navigation clear and logical?

MATHEMATICS	
	Is research data given and appropriately shown in a table?
	Are mathematical terms/processes discussed and explained?
	Are the implications of predicted outcomes addressed? BIG CONCEPT!
	Do you include an analysis of the validity of your predictions? BIG CONCEPT!

CONTENT	
	Are your ideas effectively communicated?
	Do you discuss the issues found with your trend?
	Are words spelled correctly and is grammar used properly?
	Is your writing creative and engaging?
	Are citations included for appropriate outside resources?

Keep revising your project until all checklist items are addressed thoroughly.
