Thinking Critically with Data

Survey Information

Congratulations on completing the Thinking Critically with Data Course!

Please take a few minutes to complete an online survey at the appropriate link below. Your feedback will help guide the development of new courses in the Intel[®] Teach Elements series.

Please select the survey for your course delivery format:

- Self-paced
- Facilitated (you were a participant)
- Facilitated (you were the facilitator)
 - Facilitators: please also take a minute to <u>let us know</u> how many participants you instructed.

If you are interested in other Intel® Teach courses, please visit www.intel.com/education/teach/us

You can find other Intel Teach Elements courses at www.intel.com/teachers

The Intel *Teachers Engage* Community is a worldwide network of educators dedicated to transforming K-12 classrooms. You can see how others are implementing Intel Teach Elements courses and share your ideas at http://engage.intel.com
