

## Rubric for Web Site

The main purpose of a rubric is to help you do your best work. Use the rubric to make sure you understand what you are expected to learn. Is all of your work best described by column 4? If not, what can you improve? If you have access to a printer, you may want to print the rubric for reference as you work through the activities. Ask your teacher for help if you have any questions about the rubric.

<b>Content</b>	The purpose of the site is clearly stated in appropriate subject-area language, and additional content, sources, and media have been added to make the site more persuasive.	The purpose of the site is clearly stated in appropriate subject-area language, and all persuasive essay content, sources, and media are clearly related to the purpose.	The purpose of the site is clearly stated, but the language may not be subject-area appropriate, some content may unrelated to the purpose, or some sources may be missing.	The purpose of the site may be implied but is not clearly stated and content or sources may be missing.
<b>Architecture</b>	All content is logically organized, and a site map is provided to improve usability.	All content is logically organized, and all pages seem to be in the most appropriate location.	Most content is logically organized, but some pages seem out of place.	Most content is not logically organized.
