

## Conjecture and Evidence Checklist

- \_\_\_\_\_ Is our conjecture clear?
- \_\_\_\_\_ Does our data back up our conjecture or generalization?
- \_\_\_\_\_ Is our evidence based on data, not opinions or guesses?
- \_\_\_\_\_ Is our conjecture complete enough to follow a logical mathematical argument?
- \_\_\_\_\_ Can someone make a counter argument that will weaken our conjecture?
- \_\_\_\_\_ Will our evidence convince a skeptic?
- \_\_\_\_\_ Have we included the reasoning behind our conjecture?
