

# Intel Schools of Distinction Awards

## 2005 Winners

The best way to encourage educational excellence is to identify it, reward it, and disseminate the practices that lead to it. That's why each year, Intel and Scholastic honor these outstanding schools for their dedication to provide quality education to meet the needs of their students.

The twenty schools were honored at a black tie event in Washington, D.C. on October 6, 2005. The schools received a combined total of over \$5 million and cash and prizes. Two schools were recognized as the "Best of the Best" receiving additional prizes. [Read more](#) about the two schools selected for this honor.
