Dear Ms LeVan,

I am the Head of Unit in charge of the Intel investigation within the European Commission. I would like to confirm receipt of your letter, and inform you that we treat this request as a matter of priority. Having said that, your letter raises some specific, some general, but all rather complex questions and issues, which will have to be discussed internally within this Directorate General and with other relevant services of the European Commission.

While I will do my utmost to expedite this process, submitting a coordinated and comprehensive reply to your questions will inevitably take some time.

Yours sincerely,

Per Hellstrom
Head of Unit
