Re: Advanced Micro Devices, Inc., et al. v. Intel Corporation, et al., C.A. No. 05-441-JJF, Paul v. Intel Corporation, C.A. 05-485; In re Intel Corporation, C.A. No. 05-MD-1717-JJF Deposition of Intel and Possible Telephonic Attendance By the Special Master

Dear Special Master Poppiti:

It is my understanding that AMD has agreed with Intel to depose D. Bruce Sewell on September 29, 2009 regarding certain deposition topics. These topics include Intel's anticipation of litigation (Topic 1), knowledge of regulatory investigations (Topic 2), and preservation issues for specified Intel custodians (Topic 10). Further, Intel has designated Brandon Leatha as an additional witness on one aspect of Topic 10. The total time allotted for deposition on these topics is 5 hours and they are to start at 1:00 p.m., EST, on September 29.

We informed Intel through its counsel that we intended to ask Your Honor to attend the deposition telephonically, if your schedule permits, in order to rule on any objections or disputes. Intel, through Mr. Horwitz, also requests that Your Honor participate. It is our recollection that the possibility of Your Honor participating in certain depositions by telephone was mentioned in the past without opposition by either party.

For these reasons, AMD and Intel jointly request that Your Honor attend the deposition set for the afternoon of September 29th by telephone.

Respectfully,

/s/ Frederick L. Cottrell, III
