Subject: AMD v. Intel - 30(b)(6) Deposition noticed for tomorrow

Sogol,

I think prior communications have already made this clear, but just to make sure we're on the same page with respect to the 30(b)(6) deposition regarding the *In re Graphics Processing Units Antitrust Litigation* Intel proposed for September, I wanted to remind you that AMD does not plan to appear for the deposition. Instead, we plan to file a motion. I'm saying this now because in the notice served August 12, Intel identified tomorrow, Sept. 4, as the date for the deposition. Of course, we have not agreed to that date, or any other date, for this deposition.
